Re: In The Matter of the Blitz Ventures, LLC For A Certificate to Provide Electric Supply Services within the State Of Delaware (Submitted: February 16, 2018) - PSC Docket No. 18-0120

Dear Ms. Pulliam,

On February 16, 2018, Blitz Ventures, LLC ("Blitz" or the "Company") submitted an application ("Application") with Delaware Public Service Commission (the "Commission") for an Electric Supplier Certificate ("ESC") to act as a Broker in the State of Delaware pursuant to §1012 of the Electric Utility Restructuring Act of 1999, 26 *Del. C.* §1001 - §1020 (the "Restructuring Act") and 26 *Del. Admin. C.* §3001, the Commission's Rules for Certification and Regulation of Electric Suppliers (the "Supplier Rules").¹

In a letter dated February 28, 2018, Staff outlined a list of deficiencies that required additional documentation in order to fulfill the minimum filing requirements ("MFRs") in accordance with Section 2.0 of the Supplier Rules. The Company was asked to provide a response by March 28, 2018. Staff did not receive a response to the deficiency letter. In a letter dated April 20, 2018, Staff submitted a second notice of deficiency to bring the Application into compliance with the Supplier Rules. A response date of May 18, 2018 was requested. A response was not received. A final letter of deficiency dated May 21, 2018 was sent to the Company. The notice explained that if the Application remained deficient as of June 16, 2018, the Application would be considered abandoned. To date, the Company has not submitted any additional correspondence or attempted to rectify the deficiencies of this application.

¹ Unless otherwise noted, all references to capitalized terms are set forth in the Restructuring Act and/or the Supplier Rules.

At this time, the Company's application as submitted February 16, 2018 has not satisfied the requirements under the Restructuring Act and Supplier Rules to receive an ESC in the state of Delaware. The above referenced docket is now closed and the Application of Blitz Ventures, LLC for an ESC is considered abandoned. Should the Company decide to pursue an ESC in the future, a new filing and filing fee would be required.

Thank you,

Shona Marshall
